

BROADBANDUSA

CONNECTING AMERICA'S COMMUNITIES

One of the State of Illinois' highest priorities is to bring broadband to unserved and underserved areas of Illinois.

In order to reach this goal, the state and its partners are providing a range of matching funds and informational assistance—so that qualified Illinois applicants for American Recovery and Reinvestment Act broadband funds are well-prepared for the competitive grant process.

Join us for a
FREE webinar

on

Thursday, February 18, 1:30 - 3 p.m.

or

Tuesday, February 23, 10 - 11:30 a.m.

to learn about federal grant writing for broadband funds.

Register for this program at:

www.extension.uiuc.edu/go/BTOP.

Registration is limited to 50 lines per session.

Once individuals have completed the online registration, they will receive an e-mail with further details.

This webinar will provide a detailed explanation of the steps leading to the drafting and submitting of competitive federal grants. Participants will also have an opportunity to learn from Round One Broadband Technology Opportunity Program applicants on their approaches to organizing for successful submission.
